

Letter of reference

This is to confirm that Cheral Dawn Kennedy was employed with Caritor Pty (Ltd) from 16 September 2002 until 29 February 2004.

She fulfilled the role of General Manager inside the business and was responsible for the day to day operations of the business. This included amongst others the financial reporting, human resource management, office administration and reporting to head office on a weekly basis.

Cheral fulfilled her role with the utmost efficiency and diligently ensured that the operational component of the business was true and correct.

Cheral is a loyal dedicated employee and always put the needs of the company before her personal ones. She continuously strives to exceed in her work and always has a hunger to learn and grow as an individual.

I wish her well in any new endeavour she undertakes and recommend her for any relevant role she applies for.

Louis-Marc Germishuys
