30 June 2002

To whom it may concern,

Cheral Kennedy was employed as Senior Project Manager with VWV Interactive from 1 January 2000 to 31 May 2002.

It was my distinct pleasure to see Cheral grow and exceed expectations month on month during this period. Not only did she accept anything that was given to her and everything that was asked of her, but she constantly strove to improve upon herself and our business.

Her outstanding achievements on each project and her dedicated approach to her work added priceless value to the company and its services.

We wish her well in her next position and know that she will be a valuable asset for any company she chooses to work for.

Yours sincerely,

DENISE SESKIN

**MANAGING DIRECTOR**
